

Summer 2011

GOLF COURSE

It is already summer and a new working season for Golf Club Ibar. We are continuing with the regular maintenance of the completed part of the golf course including the greens, tees, fairways and bunkers of the 9 playable holes, as well as the Driving Range and 6 short par 3 holes.

STAGE 1

The two communal pools in Stage 1 located between the Ephrosina villas 49 and 76 are now open for use and the first guests to Ibar have already been enjoying the warm and sunny weather and working on their tan.

The common parts in Stage 1 are carefully maintained including mowing of grass, watering of grass areas, weeding out, cleaning, etc. We would like to remind those owners in Stage 1 who are not looking after their gardens to start doing that as soon as possible. The maintenance of all gardens is very important for the good look of Stage 1 during the summer season and for the successful marketing of the place.

Graduates from Dolna Banya at Ibar

To continue our good tradition of congratulating the students of the Neofit Rilski School in Dolna Banya upon their graduation Golf Club Ibar had the pleasure of welcoming them on site along with their teachers and representatives of the School Board on the sunny afternoon of May 28th 2011. All guests, about 25 in number, were welcomed by Mr. Kiril Nedev who greeted them on the occasion of graduating from school and wished them luck in their future endeavours. The graduates received gifts from Ibar and had the opportunity to enjoy their first lesson in golf. The guests practiced their shots at the driving range and chipping green. They also enjoyed a short tour round Ibar and left site with very positive impressions.

ESPA School on a visit to Ibar

Students from ESPA School in Sofia were our guests at Ibar on June 13th 2011. About 13 children and their teachers were welcomed by Mr. Kiril Nedev. They had a wonderful time practicing their golf shots at the Driving Range and enjoying the good weather and the atmosphere of the place. They left Ibar filled with excitement and positive emotions.

Diplomatic Golf Tournament under the patronage of the Minister for Foreign Affairs of Bulgaria
