

A Place in the Sun – NEC Birmingham

Our sales team has just returned from “A Place in the Sun” exhibition, which took place in Birmingham between the 28th and 30th of September 2007. Due to the number of interested visitors at our stand we found the show very successful. We would like to take the opportunity to thank all who devoted us some of their time and we will be looking forward to seeing some of you on the golf course in Dolna Banya in the near future.
